

Versão 1.0.

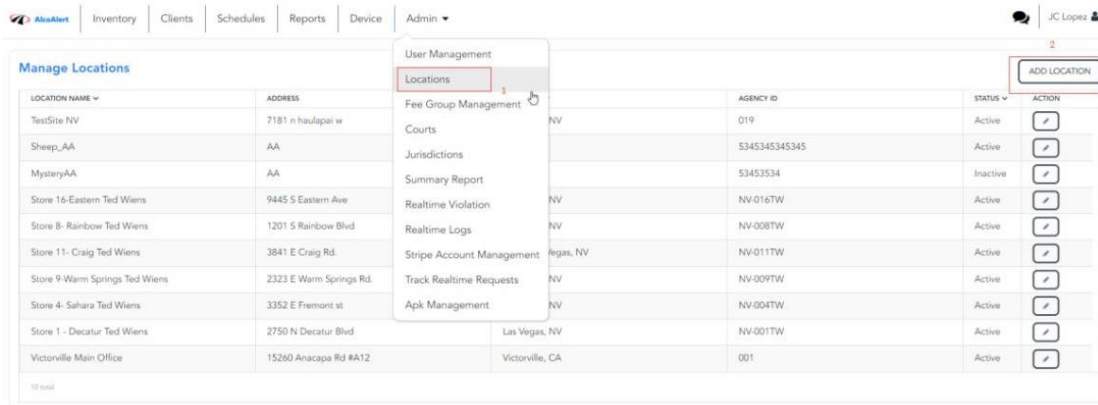

1ª primeira etapa é fazer login no endereço do site em segundo plano: <https://test.alcoalertinterlock.com/>

The image shows the login page for AlcoAlert. It features a white login box centered on a blue background with a blurred image of a person. The box contains the AlcoAlert logo at the top, followed by two input fields labeled 'EMAIL ADDRESS *' and 'PASSWORD *'. Below these fields is a 'LOGIN' button and a link that says 'Forgot Password?'.

2º O segundo passo é criar Locais

Usuários e caixas de correio precisam usar seus próprios e não podem usar diretamente o nome de usuário e a caixa de correio na imagem

The image shows the AlcoAlert dashboard. At the top, there is a navigation bar with links: Inventory, Clients, Schedules, Reports, Device, and Admin. The 'Admin' link is selected, and a dropdown menu is open, showing options: User Management, Locations (highlighted with a red box and a '1' next to it), Fee Group Management, Courts, Jurisdictions, Summary Report, Realtime Violation, Realtime Logs, Stripe Account Management, Track Realtime Requests, and Apk Management. On the right side of the dashboard, there is a user profile for 'JC Lopez' and a red box with a '2' next to it containing an 'ADD LOCATION' button. Below the navigation bar, there is a table titled 'Manage Locations' with columns: LOCATION NAME, ADDRESS, AGENCY ID, STATUS, and ACTION. The table contains several rows of location data. At the bottom left of the table, it says '10 total'.

LOCATION NAME	ADDRESS	AGENCY ID	STATUS	ACTION
TestSite NV	7181 n haulapai w	NV	019	Active
Sheep_AA	AA	5345345345345	Active

Executar login de administrador

A screenshot of a mobile application's login screen. The interface is clean with a light gray background. At the top, there is a status bar with a small robot icon, signal strength, battery level, and the time 14:21. Below this, there are two input fields. The first field has a person icon on the left, the text 'admin' in the center, and a downward arrow on the right. The second field has a lock icon on the left, the text '88888888' in the center, and an eye icon on the right. Below these fields is a large, rounded green button with the word 'Login' in white text. At the bottom of the screen, there is a version string 'US 1.1.3 20210817' on the left and a green Wi-Fi icon on the right.

Calibration

Caso não possua o equipamento para calibrar, clique em Manual Setup para abrir a configuração manual, e

insira o valor conforme mostrado na figura abaixo.

The screenshot shows an Android application interface for 'Alcohol Calibration'. At the top, there is a status bar with icons for signal, battery, and time (14:30). Below the status bar is a header bar with a back arrow, the title 'Alcohol Calibration', and a calendar icon. The main content area consists of several rows, each with a label and a value or control:

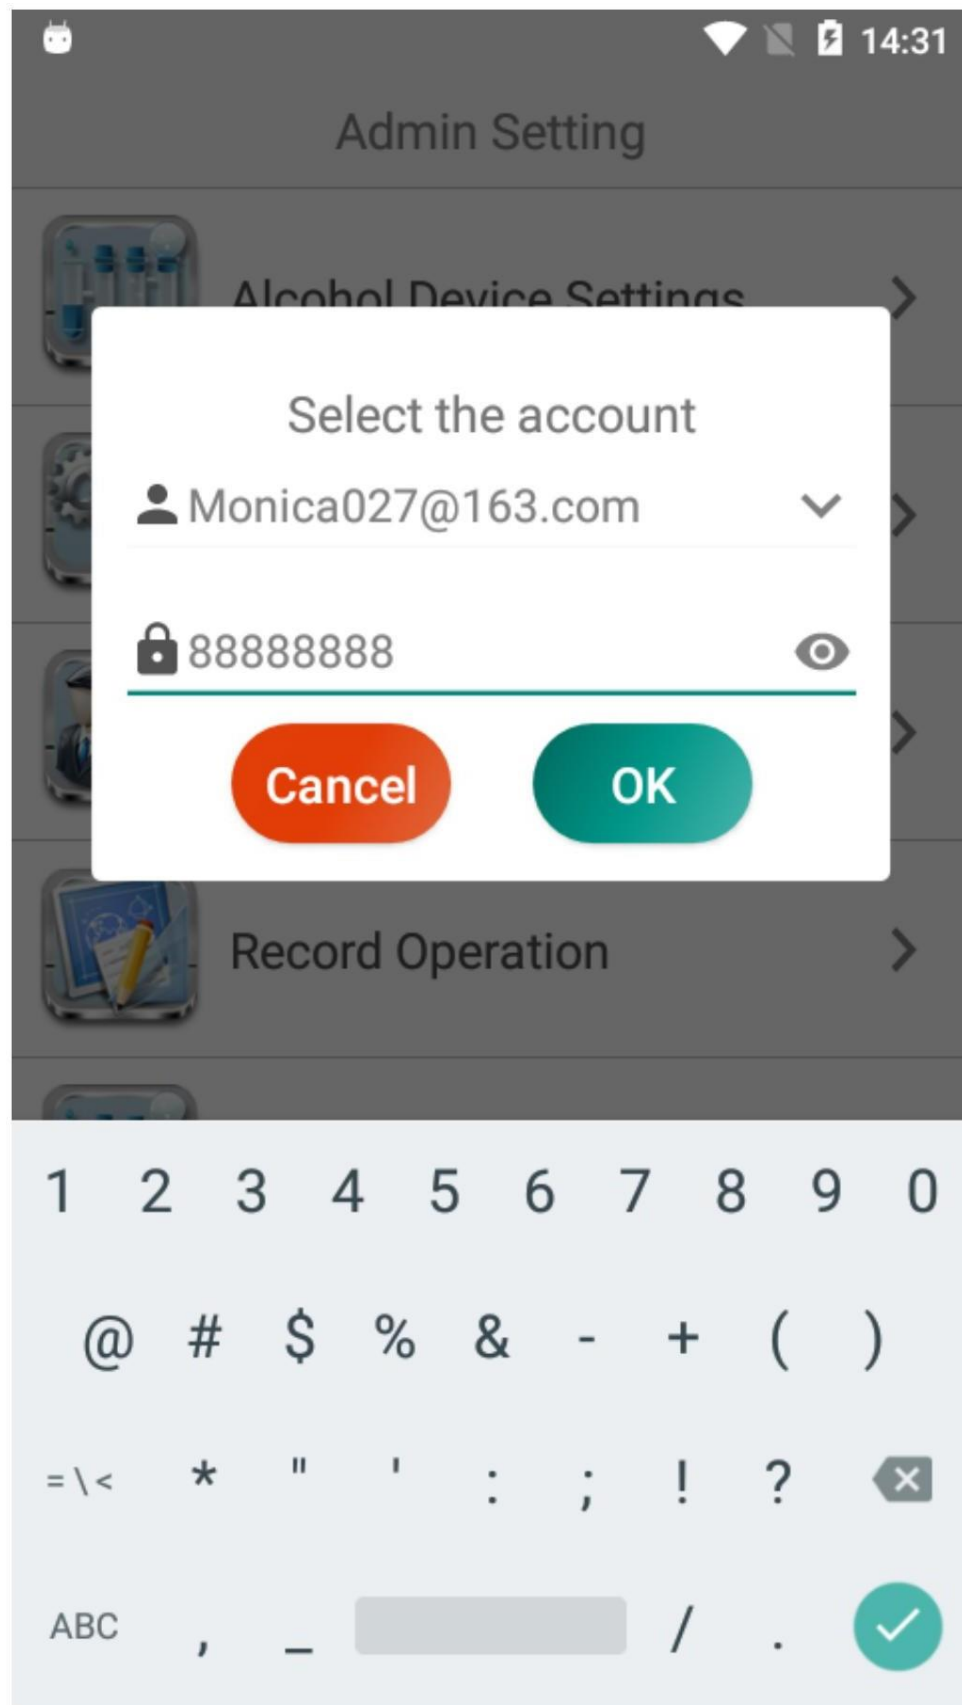

- Unit Of Calibration**: The value is '%', with a dropdown arrow to its right.
- Concentration :** The value is '0.08', displayed in a text field.
- Manual Setup**: A toggle switch is shown to the right, currently in the 'off' position.
- TEM ADC Result :** The value is '912', displayed in a text field.
- Integral Result :** The value is '445', displayed in a text field.

Below these rows, there is a red text instruction: 'Please click on info ico display instructions.' At the bottom of the screen, there are two large, rounded, teal-colored buttons. The top button is labeled 'Passivity Calibration' and the bottom button is labeled 'Calibration'.

18, A décima oitava etapa, adicione uma câmera, clique em Configurações de funções

Escolha sua conta online, caso contrário a configuração será inválida

19ªA décima nona etapa é testar e fazer login na conta da web

A screenshot of a mobile application's login screen. At the top, there is a status bar with an Android robot icon, signal strength, Wi-Fi, battery, and the time 16:16. The login form consists of two input fields: the first for email, containing 'Monica027@163.com' with a person icon on the left and a dropdown arrow on the right; the second for password, containing '88888888' with a lock icon on the left and an eye icon on the right. Below these fields is a large, rounded green button with the text 'Login'. At the bottom of the screen is a numeric keypad with digits 0-9, symbols like @, #, \$, %, &, -, +, (,), and a row of special characters including backslash, asterisk, double quote, single quote, colon, semicolon, exclamation mark, and question mark. The bottom row includes 'ABC', comma, hyphen, a greyed-out field, forward slash, period, and a green checkmark button.

20ª Etapa 20, conecte ao Bluetooth, clique em Conectar Cboxy

A premissa é que você precisa ter uma instalação pública ou um carro para se conectar ao Bluetooth

A conexão WIFI foi bem-sucedida, clique em Carregar registros para carregar os registros

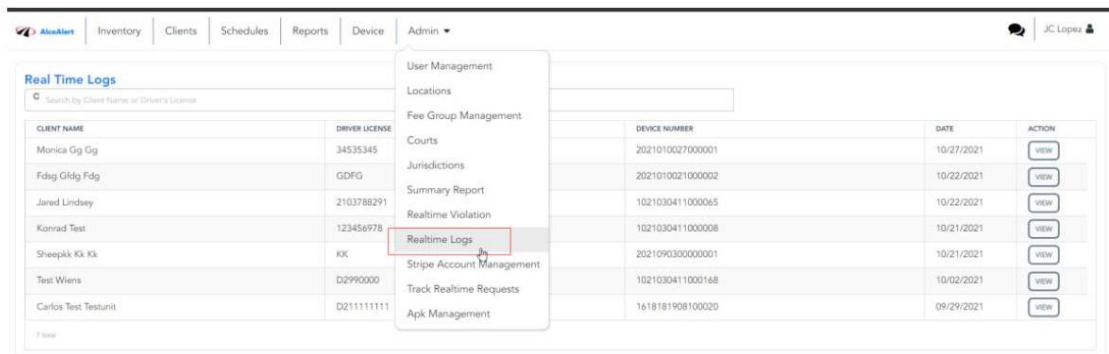

Se você deseja visualizar o registro local, clique em Registro de violação

23, Vigésima terceira etapa, faça login em segundo plano

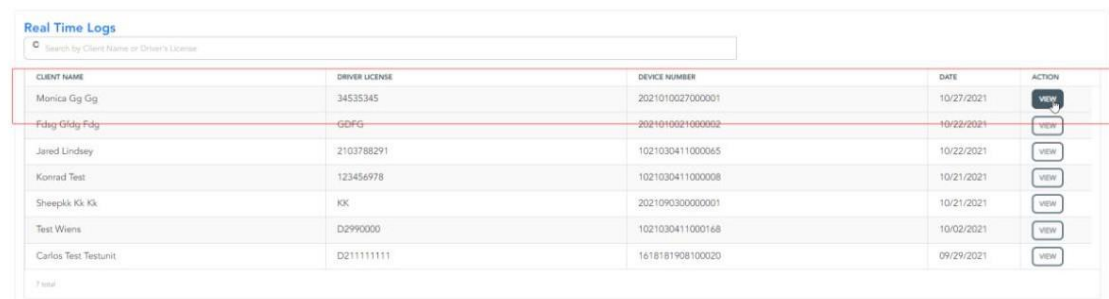

The login screen for AlcoAlert features a white card on a blue background. The card contains the AlcoAlert logo, a search bar for the email address (jay.lopez@alcoalert.com), a password field with masked characters, a LOGIN button, and a link for 'Forgot Password?'.

24, Passo 24, clique em Real Time Logs para visualizar registros e fotos

The dashboard shows a navigation bar with 'Admin' selected. A dropdown menu is open, highlighting 'Realtime Logs'. The main content area displays a table of logs with columns for CLIENT NAME, DRIVER LICENSE, DEVICE NUMBER, DATE, and ACTION.

CLIENT NAME	DRIVER LICENSE	DEVICE NUMBER	DATE	ACTION
Monica Gg Gg	34535345	2021010027000001	10/27/2021	VIEW
